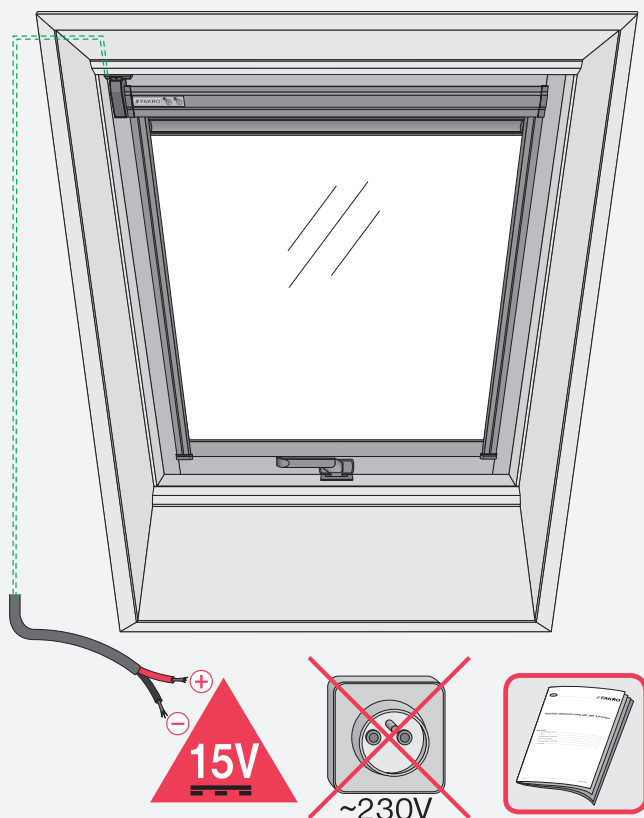

Diagram 5 illustrates the installation of the bottom rail. The main illustration shows the bottom rail being attached to the bottom of the window frame. Two inset diagrams show the correct and incorrect ways to attach the rail. The top inset shows the rail being pushed into the frame with a red arrow and a '0' indicating no force. The bottom inset shows the rail being pulled into the frame with a red arrow and a '0' indicating no force. A red 'X' is placed over the incorrect method in the bottom inset.
